## EVERYWHERE THE SHELF EXISTS...

Gökçelik, since its inception in 1976, has produced shelf and display systems for the continuously growing Turkish retail and industrial sectors.

Our mission is to create storage & display systems that make our retail and industrial customers' projects succeed. To achieve this, we work to the highest standards, offer competitive prices, and deliver on time.

Our vision is of a continuously developing product by using technology, quality management and the best of human resources. But to ensure our competitiveness and market share increase, we put customer satisfaction first.

Therefore, to achieve its vision; Gökçelik's company values are: Reliability, devotion, continuous development, sensitivity, honor, justice, the power of diversity.

Today, the latest technologies employed at Gökçelik's 4 factories include: Integrated serial production. Customized & flexible production lines. Wide machine areas. Environmentally sensitive paint shops. Gökçelik, with every passing day, increases its market share in Turkey and more than 50 countries worldwide.
